Dear students,

Efforts are being made to improve the quality of the lessons/courses offered at this university. The data collected in this questionnaire is essential for this improvement because it takes your responses to university lessons into account and provides your instructors with feedback. The results of the data analysis are to be presented and discussed by your instructors during their lectures. Thus, we wish to encourage instructors and students to think and talk about their university lessons.
The completion of this questionnaire is voluntary and anonymous. Please fill in the questionnaire carefully and pay attention to the directions given above.

Thank you for your cooperation.
