1. Day of Studies on 17.11.

=====

On Wednesday, 17 November, the university-wide Day of Studies will take place for the sixth time. From 12:00 noon until 4:00 p.m. it is all about *Quality in Studying and Teaching*. The quality officers within the faculties will be responsible for organising the day.

By decision of the Rectorate, all courses will be cancelled during this time.

Programme

12:00 noon - 2:00 p.m. discussion sessions in the faculties on the design of study conditions | open exchange of opinions | feedback from the student surveys | further development of study programmes

2:30 - 4:00 p.m. impulse lecture and panel discussion on the topic: *advantages and disadvantages of a comprehensive introduction of unrestricted repeatability of examinations*, with the participation of guests from Bielefeld University.

Further details on the programme and rooms are available under

<https://www.qsl.uni-wuppertal.de/de/qualitaetsentwicklung-und-bolognacheck/tag-des-studiums/tag-des-studiums-2021.html>

=====

2. Service points for issuing festival wristbands

=====

At once, the service points for issuing festival wristbands will be additionally staffed at peak times. Please note that on the Griffenberg campus, in addition to the continuously staffed issue point at

the main entrance, service points will also be staffed in the mornings, especially in L.09 (stairs opposite the main entrance), K.11 (entrance from the street side) and Kern NOS.08 (past the main entrance, entrance opposite the bus stop). Exact times can be found at

<https://www.qsl.uni-wuppertal.de/de/aktuelles.html>

or in the Campus App (with navigation function)

<https://zim.uni-wuppertal.de/de/dienste/campus-app.html>

In the Campus App, search for "Festival", "Bändchen" or "Ausgabestelle " in the menu, select one of the possible service point locations to get the navigation information or navigate there.

To ease and speed up the checking process in general, it helps a lot if you show your certificate (vaccination or test certificate) in an App, because this way - in contrast to e.g. the paper vaccination certificate - name and certificate can be checked at a glance and with the CoronaCheck App.
