Content:

- 1. Season's greetings 🎅**
- 2. Opening hours of the University Library**
- 3. Freiraum 2023: Call for proposals**
- 4. Evaluation of lectures and seminars via EvaSys**

=====

- 1. Season's greetings 🎅**

=====

We would like to wish all of you a peaceful Christmas and a good start into 2023.

=====

- 2. Opening hours of the University Library**

=====

The University Library will be closed in the period between Christmas and New Year. From Monday, 2 January 2023, the library can be accessed again at the usual opening hours.

=====

- 3. Freiraum 2023: Call for Proposals**

=====

In 2023, Stiftung Innovation in der Hochschullehre is funding projects which focus on the learning processes of students. Applications can be submitted by both students and teachers.

With regard to the "Freiraum 2023" call for proposals, the actual selection process is preceded by a procedure for expressing interest.

The expression of interest can be submitted from 1 February to 15 February 2023 and has to include data on the submitting person, a project title and an outline of a maximum of 1,500 characters (including spaces).

<https://stiftung-hochschullehre.de/foerderung/freiraum2023/>

Department 6.3 provides assistance with the application process.

=====

4. Evaluation of lectures and seminars via EvaSys

=====

The registration system for evaluating lectures and seminars of the winter term 2022/2023 is open until 20 January 2023.

The evaluation of the courses is carried out by means of paper or online surveys. After registering their courses for an online evaluation, teachers and lecturers will receive an access code for their survey (instead of the usual TAN) which can either be forwarded to the students or made available on moodle.
