- 2. Elections: Student parliament and student councils**

=====

This week the elections of the student parliament members and the student council representatives of School 1, 2, 4, 6, 8, and 9 takes place.

The student parliament is the highest decision-making student body of the University of Wuppertal. It elects the members of the Student Union (AStA) and represents the students’ interests towards the Rectorate.

The members of the students' councils organise events, offer support by establishing contacts and share their experience, offer students advice when creating their university timetable and represent the students' interests, especially at the schools.

The election committee calls upon students to elect: "Turn out to vote and show us that you appreciate our effort!"

The university's polling stations are opened every day from 10 a.m. to 4 p.m.:

Campus Haspel in front of the university dining hall in building HC (enrolled students of school 5)

Campus Freudenberg at the university dining hall in building FME (enrolled students of school 6)

Campus Griffenberg: M.10 in front of lecture hall 14 (everyone)

The election magazine can be found here: <http://stupa-wuppertal.de/wahlzeitung>
