- 5. TURN24 (14/15 November, Berlin) – Submit your contribution**
- 6. Lecture series "The impacts of climate change on physical and mental health"**
- 7. Newsletter on teacher training**

=====

- 1. "Leitbild Lehre – Gemeinsam Lehre denken" – Invitation to the workshops**

=====

We invite all members of the University of Wuppertal to be part of the workshops to develop a mission statement for teaching. A short overview about the process, FAQ and a documentation about the kick-off event is available on Moodle: <https://moodle.uni-wuppertal.de/course/view.php?id=28067>

=====

- 2. Announcement: „Building trust through dialogue: Dealing with school violence“**

=====

For topical reasons the School of Educations Service Centre offers a round of talk on 5 March 2024 at 3:30 pm for student teachers. The aim is to discuss questions and concerns regarding the topic of "violence in schools". Against the backdrop of his professional occupation at a school psychology service, Prof Dr Christian Huber from the Institute for Educational Research will be present and answer your questions. The meeting will take place via Zoom.

For further information and registration, please visit <https://soe.uni-wuppertal.de/de/aktuelles/ansicht/infoveranstaltung-zum-zugangsverfahren-master-of-education-1-1/> (in German available only)

=====

3. Announcement: AI tools

=====

12 March 2024, 2–4 pm c.t. | University Guest House (Campus Freudenberg)

Prof Dr Tobias Meisen: Eine Tool-Übersicht: KI-Werkzeugen im wissenschaftlichen Alltag und beim Lernen (Prof Dr Tobias Meisen: An overview: AI tools in everyday academic and scientific work)

=====

4. Transformative Teaching Toolbox: Education for sustainable development

=====

The Transformative Teaching Toolbox makes it easier for lecturers to integrate the topic of sustainability into their own lectures and seminars. It offers methods with a focus on co-creative and action-orientated learning

The toolbox contains an example of good practice in the form of the "Circular Business Innovation" seminar. Students develop solutions in a sustainability context.

Find out more about the Toolbox: <https://startupcenter.uni-wuppertal.de/teaching-toolbox/>

The project is funded by the Stiftung für Innovation in der Hochschullehre.

=====

5. TURN24 (14/15 November, Berlin) – Submit your contribution

=====

The motto of this year's TURN Conference, organised by the Stiftung Innovation in der Hochschullehre (StIL), is "Horizonte verbinden – Politik und Praxis für innovative Lehre" ("Connecting Horizons - Policy and Practice for Innovative Teaching"). The conference takes part on the following four topics:

1. Rooms & learning environment
2. Expertise and structures for the future
3. AI & Technology
4. Science & Society

We are looking for contributions such as short presentations, workshops, world cafés and discussions. The Call for Participation runs until 12 April 2024.

<https://turn-conference.org/call/>

=====

6. Lecture series “The impacts of climate change on physical and mental health”

=====

The sustainability initiative of North-Rhine Westphalia universities Humboldtⁿ offers a lecture series mostly in digital form on “The impacts of climate change on physical and mental health” for master students. Students can receive 3 CP, the examination committee responsible for the respective degree programme decides on the recognition.

For further information and registration, please visit: <https://humboldt-n.nrw/weitere-programme/ringvorlesung-sommersemester-2024> (in German available only)

=====

7. Newsletter on teacher training

=====

The Joint Academic Committee of the School of Education (GSA) would like to give some insights into current research and teaching in the area of teacher training at our university.

Please follow the link in order to read the newsletter and subscribe to it: <https://soe.uni-wuppertal.de/de/gsa/newsletter/>
