- 1. Evaluation of lectures and seminars using EvaSys**

=====

The registration system for evaluating lectures and seminars of the summer semester 2023 is open until 5 July 2023.

The evaluation of the courses is carried out by means of paper or online surveys. After registering their courses for an online evaluation, teachers and lecturers will receive an access code for their survey (instead of the usual TAN) which can either be forwarded to the students or be made available on Moodle.

=====

- 2. Function for examiners (Prüfendenfunktion) in StudiLöwe**

=====

The function for examiners (Prüfendenfunktion) in StudiLöwe will go live in June 2024. In preparation for the launch, new functions for examiners will be activated in StudiLöwe from Monday, 27 May

2024. However, they should only be used after an official authorisation, which will take place as soon as possible. Furthermore, Department 3 will provide further information soon.

=====

3. Key elements of the Higher Education Act

=====

The state government is planning a comprehensive amendment to the NRW Higher Education Act in the coming year. The key points adopted by the cabinet can now be accessed online:
