=====

On the Day of Studies on 3 July 2024, the results of the decentralised workshops regarding the mission statement for teaching (Leitbild Lehre) will be presented between 1.00 pm and 4.30 pm.

Join us in discussing how the mission statement for teaching (Leitbild Lehre) should be formulated and presented and let us think about how we can use the ideas from the workshops to improve the quality of teaching.

In order to enable all teaching staff and students to participate, no courses will be held during this period.

Further information on the programme will be available shortly at <https://leitbildlehre.uni-wuppertal.de/de/> and on Moodle <https://moodle.uni-wuppertal.de/course/view.php?id=28067>
