1. Freiraum 2026

=====

The Stiftung Innovation in der Hochschullehre is again funding projects that focus on students' learning process. Both students and lecturers can submit applications. <https://stiftung-hochschullehre.de/foerderung/freiraum/> (in German available only)

Letters of interest can be submitted between 10 and 20 February 2025 via the foundation's portal.

For the first part of the selection procedure, Department 6.3 offers support in the formulation of a project proposal of approx. 1500 characters (you can download a pdf file with guiding questions for preparation here: <https://dez6.uni-wuppertal.de/de/formulare/>) (in German available only)

A project proposal placed in the Freiraum 2026 competition cannot be submitted simultaneously in one of the funding lines of the innovation fond Lehre (see section 2).

=====

2. Call for proposals: innovation fond Lehre 2025&26

=====

The Rectorate also promotes teaching innovations through an internal competition.

The funding line “BUW Lehrinnovationen” (BUW Teaching Innovations), offers lecturers of the University of Wuppertal the opportunity to develop and test innovations on issues location-related issues and to evaluate their effectiveness. The funding line “QSP+” and “Lehrimpulse” (Teaching Impulses) complement the portfolio for smaller projects.

3. Having doubts about your studies?

=====

If doubts about your studies will not go away, learning and work problems limit your motivation to study or uncertainty about your career goal persists, it is time to ask for constructive support.

At the STUDIENZWEIFEL THEME WEEKS from 10 to 28 March 2025, students can find out more about their doubts, regain motivation for their studies, or receive information about alternative degree programmes and other career paths at more than 40 events.

Student advisors and contact persons from the local education and training markets will be available for discussions.

Programme: <https://www.bergauf.uni-wuppertal.de/de/thementage-studienzweifel/> (in German available only)

THEME WEEKS in North-Rhine Westphalia: https://nextcareer.de/themenwochen_studienzweifel/ (in German available only)

4. Studying with a disability

=====

At the beginning of the upcoming lecture period, students with disabilities will once again have the opportunity to exchange ideas and support each other:

- - Discussion group for students with AD(H)D
- - Discussion group for autistic students
- - Discussion group for students with mental illnesses

For contact details and more information, please visit: <https://www.zsb.uni-wuppertal.de/de/beratung/studieren-mit-beeintraechtigung/> (in German available only)

=====

5. HISinONE will be switched off on 19 March 2025

=====

On 19 March 2025, the systems HISinOne/StudiLöwe and WUSEL (old system) will be switched off for one day to perform the update 2024.12. On 20 March 2025, the systems will be available again as usual.

=====

6. Digital student ID card: as of summer semester 2025

=====

As of the summer semester 2025, student ID cards will only be provided digitally via the University of Wuppertal's campus app. Alternatively, the student certificate will also serve as a student ID card.
